Feedback from Faculty

Green Thursday ~~ele~~ initiative in Our College made me aware of environmental Carbon emission. So one day a mass non usage of our own vehicle helps to decrease air pollutants.

It also helps to promote sustainable Transport that leads to healthier Communities

எங்கள் கல்லூரியில் 27.02.2025 அன்று கல்லூரிக்கு வரும் ஆசிரியர்கள், ஆசிரியரல்லாதோர், மாணவர்கள் அனைவரும் தனி வாகனத்தில் வராமல் பொது போக்குவரத்தைப் பயன்படுத்துமாறு கேட்டுக்கொள்ளப்பட்டனர். இதன் வழி கார்பன் உமிழ்வு குறைகிறது. காற்று மாசுபாடு தடுக்கப்படுகிறது. இதனால் தூய்மையான, காற்றோட்ட சமுதாயத்தை உருவாக்க முடியும்.

The observing of 'No vehicle Day' in our college makes a clarion call for each and every individual to preserve the greenery of the environment at any cost. The small effort put forth in our college for reducing the deposit of vehicle smoke creates a great impact among all students and staff members. The act of refraining from using motorised vehicles becomes tedious ~~from~~ for me to reach the college in time, at the same time it serves as a powerful reminder to combat the emission of carbondioxide in atmosphere and protect our earth from pollution. This practice motivates me to minimize the use of own vehicle.

The Green thursday ~~thoughts~~ taught us to learn about the control of pollutions like that harm environment in everyways. It caused difficulities during transportation even though it also gave the happiness of saving the fuel for the future generation. The green day is a good initiative among younger generation to save the future earth.
