RESEARCH PROMOTION POLICY

- ❖ The college has constituted a Research Committee, comprising College Managing Board, Principal, Dean of Research, Dean of Arts, Dean of Science and External Subject Experts.
- ❖ Research, being one of the major functions of an institution, the college consistently motivates the faculty to undertake research projects, funded by UGC, CSIR, and to do Ph.D. to generate, and extend the sphere of knowledge.
- ❖ The college extends financial help to the faculty of self-financing courses for Presenting papers and publishing articles by giving them 50% of the registration fee and sanctions them sabbatical leave up to 35 days for completing their Ph.D. research work.
- ❖ The college honours the Doctorates, Ph.D. guides, paper presenters, publishers of Articles and books with prizes annually to motivate them to achieve more in the field of research.
- ❖ The college renders financial assistance to each department to organize intercollegiate Seminars/Conferences and Workshops every year.
- ❖ The college periodically improves infrastructure facilities in the existing Digitized Library, State-of-the art Science laboratories, English Language Laboratory, and Internet Connectivity to make research work more feasible.
- ❖ The college encourages the students to take up projects, funded by TNSCST, provides them with ample opportunity to present papers in conferences and seminars on and off the campus, and stimulates them to publish their findings in journals and magazines.
- ❖ The college facilitates the research scholars to publish articles in the in-house online journal, 'International Multidisciplinary Innovative Research Journal' (ISSN: 2456-4613) – website: www.vvvjournal.in, without charging any registration fee for the publication of their articles.
- ❖ The college takes steps to upgrade the Departments with sufficient number of Ph.D. holders to Research Centres and also to increase the number of research guides.
- ❖ The college promotes interdisciplinary research by encouraging all the Departments to organize interdisciplinary seminars/conferences and motivating the staff members to take up interdisciplinary projects.
- ❖ The college disburses financial assistance to the faculty of Self Financing Stream to take up Research Projects.
- ❖ The Student-Faculty Research Forum enables the promotion of research culture among the faculty and students by providing a platform to present research papers in the campus.
