V.V.Vanniaperumal College for Women (Autonomous)
Virudhunagar

Dear Academicians,

We are happy to invite you to participate in the One-Day Online National Conference on **Innovations, Distinctiveness and Best Practices: Benchmarking in HEIs** organized by IQAC of our college on 22.10.2020.

ABOUT THE COLLEGE

V.V.Vanniaperumal College for Women, affiliated to Madurai Kamaraj University, has been promoting the cause of higher education for Rural Women Folk in and around Virudhunagar, since its inception in 1962. It has a sprawling campus with magnificent buildings and necessary amenities and stands as a landmark institution on the flanks of NH7 Virudhunagar, 50 kms south of Madurai, Tamil Nadu. The history of our Institution, a temple of learning founded by a great visionary Shri V.V.Vanniaperumal Nadar, is a saga of Human Excellence, Endurance and Commitment for five decades. Having started with a meagre strength in 1962, the institution has grown by leaps and bounds into one of the reputed women's colleges in Tamilnadu. The college offers 26 UG courses, 14 PG courses and 5 Ph.D. programmes. The college became an autonomous institution in 2009 and it was reaccredited with 'A' Grade (3rd cycle) by NAAC in 2018.

INTERNAL QUALITY ASSURANCE CELL

The prime responsibility of IQAC in a Higher Education Institution is to initiate, plan and supervise the various activities that are necessary to increase the quality of education. The IQAC of V.V.Vanniaperumal College for Women, incepted in 2003, exposes the students and teachers to new frontiers of knowledge by organizing various programmes and activities such as seminars, workshops, symposia, conferences, panel discussions and academic meetings. It fosters the quality culture by systematically collecting feedbacks from the stakeholders and conducting Internal and External audits periodically for the sustenance of optimal standards.

ABOUT THE CONFERENCE

The Institutions offering Higher Education serve as a domain where competency exists in many aspects and excellence is the target. Through innovations and best practices, the institutions display their uniqueness and add value to the education system. Recently, benchmarking provides a pathway to move from an existing to a more desirable situation in HEIs. It is indeed a positive process, which provides objective measurements for baselining, goal-setting and improvement-tracking, leading to dramatic innovations. The development and implementation of innovations in Higher Education Systems have an impact on all their functions. This conference will be a platform for breaking new grounds in the field of 'Innovations, Distinctiveness & Best Practices in HEIs'.

THEMES

The Conference invites research articles on the following thrust areas:

- Quality and Excellence in Higher Education
- Quality benchmarking
- Distinctiveness of Higher Education Institutions
- Best Practices in the aspects of NAAC criterion
- Innovative adaptations
- Benchmarking and Teacher Quality
- Institutional Collaborative Initiatives
- Benchmarking of E-Learning in HEIs
- Green Initiatives
- Understanding Governance & Institutional Practices

The thrust areas mentioned above are mere indicators and are not exhaustible. Papers on other aspects of the theme of the Conference are also invited.
