 www.vvvcollege.org

Virudhunagar is a centre for trade, commerce and industrial activities and a nodal center in its regional setting. It is popularly known as “Business City”. The economic base of the town revolves mainly around the trade and commerce activities dealing in the agricultural products such as chilli, oil, pulses, coriander, spices etc. Virudhunagar is also acclaimed for its high literacy rate and strong educational base.

V.V.Vanniaperumal College for Women was inaugurated in 1962, by the great leader **Bharat Ratna Shri K.Kamaraj**. The Institution stands magnificently in a sprawling area of 29.59 acres. It is affiliated to Madurai Kamaraj University.

The institution has been serving the cause of imparting quality Higher Education to women students by giving life oriented education and empowering them. The institution reflects a commitment to social welfare focusing all its activities on maximizing the strength and potential of the students so that they become self-confident, responsible and constructive citizens.

Department of **Business Administration (PG)** was started in 2009-2010 with the approval of AICTE, New Delhi. The department is housed in an exclusive building that purposefully includes facilities to provide quality management education.

The department is the proud holder of **3 Guinness World Records** – Largest Lesson in Marketing, Largest Lesson in Financial Investment & Largest Lesson in Creative Thinking.

VISION

To excel in business education with a focus on the integrated development of values, knowledge, attitude and skills to suit the ever changing business environment.

MISSION

- To foster a conducive learning environment that creates professionally competent, innovative and dynamic business leaders.
- To nurture entrepreneurial culture in young minds.
- To encourage holistic development of individuals integrating discipline and ethics.
- To promote research with focus on areas of management.

The department has an annual intake of 60 students. An expert committee of industry representatives and academicians participate in framing the curriculum that meets the continuous changing demands of the industry.

Earn your MBA Degree at an affordable fee structure

LIBRARY

The department has an exclusive and spacious library and possesses wide and latest collection of books on diverse areas of Management Studies. Further, international journals, business magazines, periodicals and dailies are also available in the department library.

e-Resources

Wi-fi facility is provided to the students for their academic development.

COMPUTER LAB

The computer lab in the department has 50 terminals that are equipped with updated software and complete uninterrupted internet connectivity.

CLASS ROOMS

Class rooms are spacious and equipped with audio-visual aids to facilitate the ambience for efficient teaching-learning.

SEMINAR HALL

Fully air-conditioned seminar hall in the MBA block with multimedia audio visual facilities and Internet connection facilitates the organization of seminars, guest lectures and presentations efficiently. The seminar hall can accommodate 175 students.

FACULTY & TEACHING METHODOLOGY

The enthusiastic team of faculty members fosters a blend of academic, research and industry experience. The team develops practices to facilitate active engagement of students. Healthy exchange of ideas within the team, collaborative efforts, joint research efforts, mentoring of students by exposing them to wider areas of knowledge, etc., are the highlighting features of the faculty team.

A well wrought pedagogy is adopted to enable students to pursue excellence in business education which includes

- Seminars, Guest Lectures, Industrial visits enabling industrial exposure and connect with industry.
- Live projects.
- Presentations, business quiz, case analysis, etc., related to corporate affairs – all handled by students with the guidance of faculty under ‘Corporate Gateway’ sessions.
- VYAPAR : Making students participate in real time marketing activities.
- Experts’ Talk where corporate professionals are invited to share their experience and interact with students.
- Personality development programmes & simulations management games.
- “Super Grad Awards” are given to students in appreciation of their improvement and excellence in academics, language, leadership, discipline and overall performance.

INSTITUTION'S INNOVATION COUNCIL (IIC)

- Our institution is a proud member of IIC an initiative of Ministry of Education, India and we promote innovation, entrepreneurship and start-ups among students through the cell.

ENTREPRENEURSHIP DEVELOPMENT

The Department of Business Administration (PG) earnestly strives to redefine the role of Youth and the women and make them more independent. The department aims to promote self employment and empower the youth with entrepreneurial skills. The students are groomed as job providers rather than job seekers. Through the cell, various workshops and activities are organized to impart skills, train and mentor aspiring entrepreneurs.

The MBA students run “YOUNG MINDS’ a campus company that provides an opportunity to undertake various corporate functions as in real time company including purchase, production, stock-keeping, account keeping sales & marketing, finance, etc.

PLACEMENT CELL

The Placement Cell operates efficiently under the leadership of a Placement Director. Placement Cell, the bridge between the job seeking students and job providers, succeeds in getting placement for a good number of students in leading and reputed organizations.
