7.3. Give two best practices of the institutions

Best Practices

1. Effective waste management
2. Health and Fitness

1. Effective waste management

Objectives

- To ensure clean and green campus.
- To reduce, reuse and recycle the waste.

Action Taken

- Measures for effective waste management are followed
- Food waste from hostel is used to make bio degradable waste which is used in canteen
- Ashes for organic waste such as dry leaves and twigs are used as manure to enrich the growth of plants
- Waste water from laboratories (washing glassware) is channelized to trees thereby increasing ground water level
- The waste water form RO plant is used in toilets, on construction sites and for washing vehicles
- Worn–out active and passive components like transistor, FET, resistors, capacitors are used for demonstration
- Solar panels are set up for lighting and heaters
- Separate bins for paper, plastic and food waste are placed at different places The wastes are collected by Idhayam-G Finance And Investment Services Limited group of companies for recycling.
- The use of plastic cups and bags are banned in the canteen

2. Health and Fitness

Objectives

- To ensure the holistic development of students
- Creating awareness on a healthy lifestyle

Action Taken

- Awareness programme on healthy food for the prevention of lifestyle diseases
- Body mass index calculation was done for the students
- Diet counseling was given to the students.
- Haemoglobin count is checked and iron rich food is recommended
- Hostel mess and College canteen offer nutritious food under the guidance of Department of Food Processing
- Eight shaped pebble walk enhances good health
- Swings act as stress busters to students
- Special training on Yoga and Karate is provided
- Pranic healing sessions are organized

7.4. Contribution to environmental awareness or protection

- The inception of Green Club of our college came into function with the intention of reducing the waste through recycling
- Bio-gas plant was installed for solid waste disposal and management
- My college my garden project was initiated inside the campus by the Green Club Members
- Mrs. R. Rajavalli, Proprietor, Thozhi Fashion World, Virudhunagar, motivated the students on zero garbage concepts
- 105 tree saplings and more than 100 potted plants and ornamental plants were planted around the campus
- Herbal garden is maintained separately with more than 70 varieties of rare medicinal herbs
- A special meeting on "Importance of medical plants" was organized
- Mr. C. Govindhan, a siddha medical practitioner, Srivilliputur, enlightened the students on herbal remedies. He also sponsored 106 herbal saplings to the college garden
- Rain water harvesting system is functioning successfully
- Bio-fertilizers are produced by the Department of Microbiology

7.5. Whether environmental audit was conducted?   Yes

7.6. Any other relevant information the institutions wishes to add

Strength

- Clean and green campus

- Effective use of ICT in teaching and learning

- Secured 85th Rank in NIRF

- Safe and peaceful ambience for resident and non-resident students.

- Life skills programs

- Bounteous financial help to the needy students through various funds and schemes

- Improved rest room facilities

- Vocational training for resident students

- TNSCST grant for the student projects

Weakness

- Less focus in Major Research Projects

- Limited Industrial Collaboration

Opportunities

- Numerous UGC schemes for Rural Women's Institution

- Inter disciplinary activities and life skill courses can be improved

- Department Journals can be launched with ISSN Number

Challenges

- Imparting communication skills to students of regional medium

- Attracting students from other states

8. Plan of institutions for the next year

- Strengthening the collaboration with industries

- Enhancing fund generating consultancy services

- Parents to be included for orientation program

- More research publications in Scopus / Web of science indexed journals

- Research publications of faculties of arts and humanitarian studies in UGC approved journals

- Regular gym sessions to be organized for students as well as faculty members

- Streaming system for Part II English will be introduced

- To introduce the Core Courses 'Theatre for Effective Communication' and 'Tales for Effective Communication' in Certificate Programme in Communicative and Functional English

- Creating awareness about the guidelines and grants to apply for UGC Major Project 2018 - 2019
