To,

IQAC Coordinator,

VVV College for Women,

Virudhunagar.

Respected Madam,

Greetings from Vimal Jerald.

Thank you very much for the wonderful opportunity to be the resource person for the online FDP on Digital Skills for Enhancing Smart Teaching.

I enjoyed training your staff members as they were very much enthusiastic and zealous learning new tools. I found them very much interactive during the FDP. They clarified their doubts during the FDP every now and then needed. I was astonished to see their output in the form of E-Contents. All your staff members were very much committed in submitting their assignments. Kindly convey my sincere appreciation for the wonderful E-contents they made during the FDP. I wish that they make many more such E-contents for the benefit of the learners.

I do appreciate the way the FDP was planned and executed. It was so meticulously designed and executed. I wonder the commitment and dedication of the Organising team headed by you. Every day after the training you were able to evaluate all the assignment submission of the staff members. The organising team facilitated the teachers with all their needs including technical support during the programme. I am proud that I am part of your committed team in training your teachers.

I will be glad to collaborate in future as well.

Yours sincerely
