Report of Faculty Development Programme on NEP 2020 in the light of Revised Guidelines of UGC on 20.04.2022

On 20.04.2022, a Faculty Development Programme on **NEP 2020 in the light of Revised Guidelines of UGC** was conducted for the Teaching Faculty Members of our college. Dr.R.Barani, Co-ordinator, IQAC, welcomed the gathering and introduced the resource person, Mr. Aathi Narayanan, M.A., M.Ed., Freelance Consultant in Education, Training & Development, Chennai. The Guest speaker began the session by quoting that a change in present day higher education scenario is imperative as we have been so far teaching 21st century students with 20th century tools, 19th century curriculum and 18th century pedagogy. NEP 2020 has opened up opportunities to meet the gap between industries and institutions. He clearly deliberated the prospective features of NEP 2020 that by 2040, all colleges would become universities offering multi-disciplinary courses. He emphasized that knowledge should be complimented with skills and it is necessary that the teachers should switch over from the traditional outmoded lecture method to the 'Phygital' mode which is the hybrid of physical and digital pedagogy. He concluded by stating that an inevitable change is essential in the existing educational system to bring about rejuvenation, renaissance and reformation and that NEP 2020 is sure to bring about the much needed renovation.. The programme ended with the vote of thanks delivered by Dr.S.Cinthana, Senior IQAC member.
