## ABOUT THE COLLEGE

V.V.Vanniaperumal College for Women, a temple of learning founded by a great visionary Shri V.V.Vanniaperumal Nadar with a singular objective of empowering rural women through higher education, is a saga of human excellence, endurance and commitment for six decades. Having started with a meagre strength in 1962, the institution has grown by leaps and bounds into one of the reputed women's colleges in Tamilnadu. The strength has reached 4259 students of which 2052 are admitted in aided programmes and 2207 are admitted in self-finance programmes. The college offers 20 UG programmes, 14 PG programmes, 6 M.Phil. programmes and 5 Ph.D. programmes. At present 96 teaching staff serve in the aided departments and 131 in the self-finance departments. There are earnest and enthusiastic 191 non-teaching staff (44 in aided and 147 in self-finance). The college became an autonomous institution in 2009 and it was reaccredited with 'A' Grade (3rd cycle) in 2018 by NAAC. The College has been funded under DBT Star College Scheme in 2020 by the Government of India.

## ABOUT THE PFMS

The Public Financial Management System (PFMS) is a web-based online software application developed and implemented by the Office of Controller General of Accounts (CGA). PFMS was initially started during 2009 as a Central Sector Scheme of Planning Commission with the objective of tracking funds released under all Plan schemes of GoI, and real time reporting of expenditure at all levels of Programme implementation. Subsequently in the year 2013, the scope was enlarged to cover direct payment to beneficiaries under both Plan and non-Plan Schemes. The latest enhancement in the functionalities of PFMS commenced in late 2014, where in it has been envisaged that digitization of accounts shall be achieved through PFMS and the additional functionalities would be built into PFMS in different stages. Beginning with Pay & Accounts Offices payments, the O/o CGA did further value addition by proposing to bring in more financial

activities of the Government of India within the ambit of the Project. The Primary objective of PFMS is to facilitate sound Public Financial Management System for Government of India (GoI) by establishing an efficient fund flow system as well as payment cum accounting network. PFMS provides various stakeholders with a real time, reliable and meaningful management information system and an effective decision support system, as part of the Digital India initiative of GoI. The biggest strength of PFMS is its integration with the Core banking system in the country. As a result, PFMS has the unique capability to push online payments to almost every beneficiary/vendor. At present, PFMS is having interface in addition to the Core Banking System (CBS) of all Public Sector Banks, Regional Rural Banks, Major Private Sector Banks, Reserve Bank of India, India post and Cooperative Banks.

## SCOPE OF THE WORKSHOP

The Government of India has launched many schemes to promote e-governance in the higher educational institutions. The PFMS has already found its way into the purview of administration in universities and colleges. It becomes mandate to keep the institutions well informed regarding the update in the functional modules of PFMS. Hence this workshop would focus on

- ❖ Fund Management, User Management, Vendor Management, Expenditure Filing (EAT Module), Payment Module and Reports.
- ❖ General issues related to all the schemes under which the institutions receive financial grants.
- ❖ Specific issues related to individual institution regarding cashless transaction.

## State Level Workshop

on

EAT, CNA & SNA in PFMS for e-governance

### Visitor's Impression:

I was here for two days for a workshop on PFMS organised by the College Management for benefit of Institution in and around Virudunagar.

The training was attended by over 25 participants. The facilities provided by the institution was excellent. The Computer Lab had enough systems and Network was very stable. The logistics & hospitality was excellent.

My heart-felt thanks to the staff who coordinated the whole workshop.
