**INTERNAL QUALITY ASSURANCE CELL**

Date: 08.03.2022

**CIRCULAR**

In continuum with the awareness creation on **Pollution Free Environment**, the Internal Quality Assurance Cell has planned to devote one day in every month to support the cause of creating a pollution-free surrounding.

In this regard, all the Students, Teaching and Non-Teaching Faculty are asked to use the common transport and strictly avoid coming by their own vehicles on 12.03.2022.

## Report

The Internal Quality Assurance Cell of our College is organizing a special programme every month on "Pollution-Free Environment" to raise awareness among the professors and students. The programme was monitored for the third time on March 7, 2022 to maintain the progress. The goal of this event is to reduce pollution produced by automobile smoke. On that particular day, the staff members used public transportation and bicycles to get to the institution. The faculty members believe that the initiative is extremely beneficial in lowering vehicle pollution and promoting the nature stewardship among themselves.
