The Internal Quality Assurance Cell of our College has been observing 'No Vehicle Day' once in a month to support the cause of creating a pollution-free environment. This year, it has been planned that every second Thursday shall be observed as 'Green Thursday' to reinforce eco-consciousness in our campus. 11.08.2022 being second Thursday was scheduled for the above cause. This event aimed to reduce traffic congestion and increased public awareness of the ill effects of fossil fuel use on global warming. To raise awareness of the need of a pollution-free environment, employees and students made sure that they reduce their carbon footprints by riding bicycles and using public transportation. They either came to college by walk or by bicycles. They felt good about themselves since they were able to help to protect the environment.
