Visitor's Impression:

It is good that the non-teaching faculty members are showing more interest in knowing and automating their work through Accounting Software.

It is suggested that Software upgrades can be done on a regular basis to help them to implement and accommodate challenging brovement needs on filing Taxes.

3. The first visit to the College, has given me a very good impression. The College is catering to the educational needs of the rural population. Hats off to the tremendous efforts of the management. The College has a extraordinary style to cater to the needs of students. I salute the founders of the college who had a vision to

Start this College. A good place for women students to get educated.

A very good Infrastructure of the college made very impressive. The nature of the visit is to audit for Academic and Administrative matters. So the IQAC Team headed by the IQAC coordinator has made a very good arrangement for the audit. The staff of the Departments in various disciplines related to the Audit conducted co-operated with me to give my reports. A very good experience is practised by me. Thank you
