Mrs.Lailamani Ashokan, Former President, Inner Wheel Club, Virudhunagar delivered a guest lecture on the topic 'Hygiene and Healthy Practices for Women'. She insisted that every student has to transform herself from 'you' to 'Wonder Woman'. She focused on the health issues that are faced by the woman like poor eating, consumption of alcohol and smoking.

Health issues are due to lack of intake of food or not having a balanced diet or avoiding intake of food to reduce their weight. She insisted the students to have food at correct time, as only if the body is fine, the mind will be good. She also said that alcohol consumption is considered as high risk factor for breast cancer.
