The Agenda for the meeting was as follows:

Subject Matter

To computerize the selection of Non-Major Elective for the II year UG students and for the II year PG students in the III semester.

Dr. (Tmty.) C. Santhini, IQAC Co-ordinator welcomed the members to the meeting organized by IQAC.

Subject Matter

To computerize the selection of Non-Major Elective for the II year UG students in the III semester and for the II year PG students in the III semester.

Resolution:

As there is rapid increase in the number of the students every year, the selection and allocation of Non-Major Elective course to the UG & PG becomes difficult. Dr. (Tmty.) K.Uma Maheswari, Dean of Science and Dr. (Tmty.)A. Rama, Dean of Arts represented the difficulty and asked to develop software to automize the NME course selection process.

To enable this selection process easier and effective and also to make the students accustom with the digital era, the faculty members of Computer Science Department (Aided) accepted to develop the software to computerize the selection of Non-Major Elective courses in the III semester for the UG students.

Tmty. N. Shanthi, M.C.A., M.Phil., Head & Assistant Professor of MCA volunteered to develop the software for the NME course selection of PG students.

There being no matter for further discussion, the meeting was concluded with vote of thanks to all the members present.
