## Action Taken Report

To implement the resolution passed in the IQAC meeting held on 07.02.2019, the following actions were taken

S.No.	Resolution	Action Taken
1.	Analysis of the quality of drinking water & ground water	The water samples from nearby residences of Virudhunagar were collected through the students. The department of Chemistry analysed the hardness of water and the department of Bio-Technology performed the Microbial analysis on 31.01.2019.
2.	Investigation of the energy consumption and usage of alternate energy resources	Some of the solar panels have been serviced for better usage and a few electrical lights inside the campus were replaced with LED bulbs.
3.	Segregation and disposal of the organic waste	Food wastes from the hostels and canteen are collected daily by the external agency.  The degradable wastes are pooled in a pit and decomposed as manure for the plants inside the campus.
