### **Subject Matter: 1**

Deliberation on metrics in Criterion I of AQAR 2020-2021.

### **Resolutions:**

The Courses studied by the UG & PG students during the year 2020 – 2021 should be taken into consideration while preparing the data for Criterion – I, AQAR 2020 – 2021.

The sample calculation for the percentage of revision of syllabus shall be initially carried out for the Computer Science Programme.

The percentage of revision of syllabus in a Programme should be calculated with reference to the number of Courses in which changes have been made.

The Courses that have a direct bearing on either employability or entrepreneurship or skill development should be considered to calculate the percentage for metric no. 1.1.3.

The Feedback from Parents and Employers is to be analysed and the findings are to be considered in revamping the curriculum.
