ABOUT THE AUTHOR

M. Sivasankar, Assistant Professor of Computer Science, Department of Commerce (CA) ST, Virudhachari Hindu Nadar's Senthikannan Nadar College (Autonomous), Virudhachari, Tamil Nadu, India. He is a distinguished academic, researcher, and innovator with over 10 years of teaching experience at VJLN, S.N. College, Virudhachari, Tamil Nadu, India. Holding an M.Phil in Computer Science from PMU College of Arts and Science, Coimbatore, he has dedicated his career to advancing knowledge in artificial intelligence, digital marketing, and software engineering.

Sivasankar has published extensively in reputed journals, including studies on AI-enabled technologies revolutionizing e-commerce and trends in digital marketing. His academic contributions also extend to 7 national and 5 international conferences, along with several pioneering researches on topics ranging from e-governance to higher education to gender speech recognition using fuzzy logic.

In addition, he has actively participated in 17 workshops, webinars, and faculty development programs (FDPs) to continuously enhance his knowledge and skills. He has also served as a reviewer for 4 workshops/webinars, Scoping of e-commerce development, IoT, and entrepreneurial journeys.

A developer at heart, Sivasankar successfully created software solutions for industry needs, exemplified by his work for Best Shiva Darshan. Spearheaded a **fuzzy clustering-based decision tree model for speaker identification** during his M.Phil. research, showcasing the field of feature extraction in large-scale data environments.

With a passion for innovation and education, he is committed to empowering students and professionals through technology-driven insights and practical knowledge.

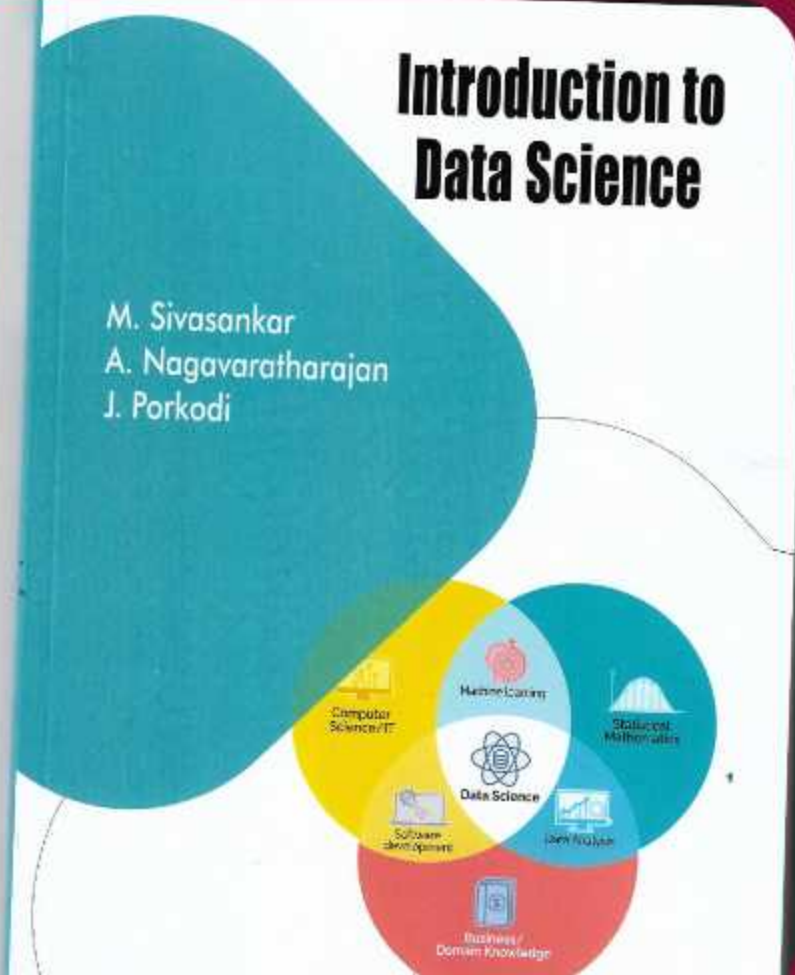

A. Nagavaratharajan, an Associate Professor of Computer Science in Department of Commerce (CA) at Virudhachari Hindu Nadar's Senthikannan Nadar College (Autonomous), Tamil Nadu, India. Before over 25 years of teaching experience and 15 years of research experience. Specializing in Wireless Sensor Networks and Image Processing, his work has been pivotal in advancing knowledge in these domains.

With a distinguished academic background (M.Sc., M.Phil.), he has participated in over 10 national and international seminars, conferences, and faculty development programs. His research contributions include numerous papers presented and published in reputed journals, focusing on topics such as artificial intelligence, digital marketing, and e-commerce technologies. He has also served as a resource person for several workshops and training sessions, highlighting his expertise and commitment to educational and research growth.

J. Porkodi is an accomplished academic professional. She is the Head & Associate Professor in the Department of Computer Applications (UG), V.V. Vignaneswari College for women, Virudhachari. Her educational background includes a Bachelor's degree in Mathematics, a Master's degree in Computer Applications, and an M.Phil. in Computer Science. With 25 years of teaching experience, her field of specialization is Machine Learning. She has presented papers at national and international seminars and conferences, and actively participated in academic activities like workshops and faculty development programs. Additionally, she has served in various roles, such as Dean of Computer Science and Placement Cell Coordinator, showcasing her commitment to academic excellence and student services.
