IPR Policy (Intellectual Property Rights)

Our college constitutes IPR (Intellectual Property Rights) Cell for nurturing the students, researchers and Faculty members those who need support in using their research knowledge to craft a patentable product for the benefit of the society. The key features of IPR Cell of our college are

- Creating awareness about IPR (Intellectual Property Rights) among the students, Research Scholars and Faculty members by conducting seminars/ workshops/ conferences and training programmes to understand the basic concepts of IPR.
- Fostering ideas, creativity and innovation on the development of technology, process, products and designs.
- Identifying the innovators and giving technical/ infrastructure support to develop the product /process for patenting.
- Providing financial assistance to do mini projects for exploring innovative ideas, methodology, process, designs and product development among innovators.
- Offering a platform to the students, research scholars and faculty to have a link with various departments of our college in utilizing inhouse expertise, infrastructure facilities, other institutions, industries and R& D Institution.
- Providing proper guidance to file for the patent.
- Protecting and promoting IPR for encouraging to get patent through IPR policy innovation and creativity.
- Awarding/rewarding the innovators for their contribution in IPR.
