There are few grey areas where students feel that there should be improvement on maintenance and cleanliness of wash rooms, usage of technical aids such as LCD, Smart board, Internet browsing facility, stationery store and canteen with variety of supplies, the Internship/Field visit/Study Tour, Entrepreneurship Training, the provision of amenities such as store, canteen, xerox centre, DTP, bank extension counter and Interaction with Principal/Managing Board are not satisfactory.

Actions to be taken

To address the inconsistencies and areas for improvement, the following actions will be undertaken:

1. Student Welfare Committee Meeting may be conducted with extended Agenda which will help to enhance communication and address student concerns.
2. Plan and implement field visits and study tours within the preview of government regulations.
3. Educating the students to plan and execute time management practices for getting ready the project reports and the study materials.
4. Provide students with access to fast and reliable internet browsing facilities in common lab I & II between 03.30 p.m. - 04.30 p.m. to support academic needs.
5. Students are to be made aware of registering their issues in the Province Management Committee registers and the faculty-in-charge to monitor whether the issues are solved in time.
