- Students representation in Student support & service forums
- Employment opportunities through job fairs
- Accessibility of library sources
- Online educational resources
- Hygienic drinking water facility etc...

There are a few grey areas where students feel that there should be improvement. These areas include the availability of books, journals and magazines in the Libraries, opportunities for participation in Inter-collegiate and Inter-departmental Competitions, conduct programmes related to Social Responsibility through National and International Days and Support and Assistance by Office Staff.

Actions to be taken:

To address the inconsistencies and areas for improvement, the following actions will be undertaken:

1. The Matters related to availability of books, journals and magazines in the Libraries will be brought for discussion in the Library Committee Meeting for necessary action.
2. Guidelines for participation in Inter-collegiate and Inter-departmental Competitions will be brought for discussion in the Staff Council Meeting and Student Welfare Committee Meeting.
3. Though many programmes related to Social Responsibility through National and International Days are organised, the Student participants are varied and limited in number. Internal Quality Assurance Cell has to take necessary steps to streamline Students participation in all such programmes.
4. A special orientation programme is to be organized by the IQAC for the Non – Teaching Faculty members emphasizing more satisfactory services to the students.
