

V.V.VANNIAPERUMAL COLLEGE FOR WOMEN

(Belonging to Virudhunagar Hindu Nadars)

An Autonomous Institution Affiliated to Madurai Kamaraj University, Madurai

Re-accredited with 'A' Grade (3rd Cycle) by NAAC

VIRUDHUNAGAR - 626 001

Date: 16.05.2023

CIRCULAR

The Research Advisory Committee meeting will be held on 17.05.2023 at 03.40 p.m. in Central Instrumentation Centre (Knowledge Junction Building) to discuss the following matters.

AGENDA

Subject Matter 1 : To discuss and allocate seed money for the selected project under Community Innovator Fellowship for purchasing the equipment and to extend the research work for further experimental studies under VVVCMB-MRP Scheme for the year 2023.

MINUTES OF RESEARCH ADVISORY COMMITTEE MEETING

The following subject matters were discussed and resolved in Research Advisory Committee meeting held on 17.05.2023 at 03.40 p.m. in Central Instrumentation Centre (Knowledge Junction Building).

Subject Matter 1 :

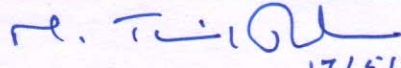

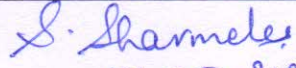

To discuss and allocate seed money for the selected project under Community Innovator Fellowship for purchasing the equipment and to extend the research work for further experimental studies under VVVCMB-MRP Scheme for the year 2023.

After a brief discussion, the Research Advisory Committee has recommended to provide financial assistance to the faculty Dr.R.Salini, Assistant Professor of Biochemistry, for purchasing the equipment as she received the first instalment under Community Innovator Fellowship from Atal Innovation Mission, NITI Aayog, New Delhi.

The Committee has proposed the following reasons for providing the financial assistance to the Innovator. The faculty received only 30% (Rs. 60,000/-) of the total sanctioned amount (2,00,000/-) as the first instalment. This released amount is not enough to purchase the equipment, "Semi automatic Pad machine" at a single stroke for the production of bio-compostable sanitary napkins. Besides, the innovator has to submit the prepared product(Napkins) during the project period (2023-2024), This period is considered as "limited time duration" for the production and distribution of it to the public as alternative source for the use of synthetic pads. Moreover, the cost of the equipment is more than that of the sanctioned amount. The purchase of raw materials, GST for the equipment purchase, travel expenses, field work, and need of the experimental work on the prepared product before patenting/marketing/distribution to the beneficiary women community were analysed in this meeting. In recognizing the importance on the need of the experimental studies of the prepared product, the committee has given the suggestion to submit the project proposal under VVVCMB-MRP Scheme as per the guidelines given in the Research Promotion Policy. It will help the innovator faculty to complete the project on-time successfully.

Resolution

1 : This matter was resolved that the Secretary of the College allocated Rs 1,40,000/- for the promotion of research and patenting. The Secretary has approved to release it with a conditional statement that the beneficiary faculty member should reimburse the amount within a week after receiving the remaining amount from the funding agency. Moreover, permission was granted to submit the project proposal under VVVCMB-MRP Scheme 2023.
