MINUTES OF RESEARCH ETHICS COMMITTEE MEETING

The meeting began with a formal welcome address and a presentation of the report on the previous year's activities. The Dean (Research) presented the points to be discussed, related to the project proposals submitted under Phase I of the VVVCMB-MRP Scheme 2026.

Subject Matter 1 Discussion on Review of the Project Proposals

Discussion A total of three project proposals were received by the Research Academia. Reviewers' remarks and queries were presented and discussed.

Resolution 1 It was ensured that the reviews provided constructive feedback on the feasibility of the proposals. It was decided that the investigators could either revise the proposal as per the review comments or provide explanations during the RAC meeting.

Subject Matter 2 Selection of Project Proposals

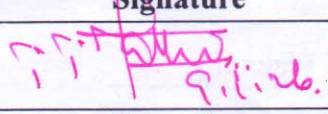

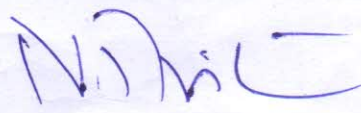

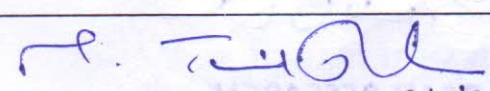

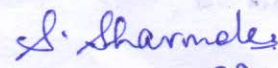

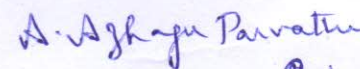

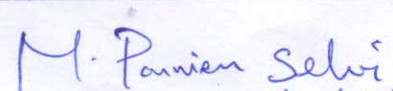

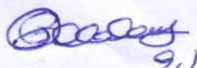

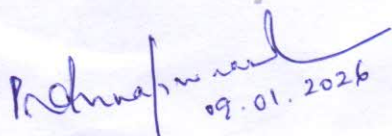

Discussion The Committee carefully evaluated the three project proposals submitted under VVVCMB-MRP Scheme 2026 Phase I. The key parameters included the relevance of the research problem, clarity and feasibility of the objectives, novelty and innovation, moreover alignment with institutional research priorities and ethical standards. Interdisciplinary and environment-sustainability-linked themes were appreciated.

Resolution 2 It was resolved to approve financial assistance for the eligible proposals and recommend revision wherever necessary. The proposal submitted by Dr. S. Vaidehi was recommended by the Committee, however, due to health issues faced by the Principal Investigator, the Committee suggested that the same proposal may be taken up in the next academic year under MRP. The Committee emphasized the importance of bridging research with practical applicability and adhering to ethical research standards.

Subject Matter 3 Approving the Budget of the Selected Project Proposals

Discussion The budget components of the selected proposals were thoroughly examined for justification and compliance with the VVVCMB-MRP Scheme funding norms.

Resolution 3 The Committee approved the budget allocations for the selected proposals.
